

REMARKS

In the Office Action identified supra, the Examiner has rejected claims 1-81 on the ground of the judicially created doctrine of obviousness-type double patenting over claims 1-81 of United States Patent No. 6,265,115.

Applicants submit herewith a terminal disclaimer under 37 C.F.R. 1.321.

Applicants believe this should place all outstanding claims in the current application in allowable form, and request the prompt issuance of a notice of allowance.

Applicants believe that no extension of time is necessary to make this Response timely. Should Applicants be in error, Applicants respectfully request that the Office grant such time extension pursuant to 37 C.F.R. § 1.136(a) as necessary to make this Response timely, and hereby authorize the Office to charge any necessary fee or surcharge with respect to said time extension to the deposit account of the undersigned firm of attorneys, Deposit Account 03-3325.

The undersigned attorney is granted limited recognition by the Office of Discipline and Enrollment of the USPTO to practice before the USPTO in capacity as an employee of Corning Incorporated. A copy of the document granting such limited recognition is submitted herewith for the record.

Please direct any questions or comments to the undersigned at (607) 248-1253.

Respectfully submitted,
